Archway Systems

Archway Adds Virtuosity Inc. as a Partner

Bentley has created a wholly owned subsidiary called Virtuosity Inc. The sole purpose is to serve as a channel for eCommerce, providing a no-hassle way to purchase Bentley software for existing and new Bentley users to acquire one year subscriptions of Bentley desktop software at the best possible price. If you are looking at building up your Bentley software assets, please send Archway an email at tom@archwaysystems.com or call Tom or Nick at 714-374-0440.

Report: Year in Infrastructure 2020 - Virtual Conference

The Year in Infrastructure (YII) annual conference is going virtual this year! With the pre-conference starting on **October 5th**, you have access to all of the YII Awards finalists live presentations.

On **October 20-21**, there will be live keynote presentations and the YII Awards Ceremony. The keynotes will include presentations from Greg Bentley, Keith Bentley, Bhupinder Singh, Adam Klatzkin, and Greg Demchak covering different aspects of Digital Twins, iTwins, and how to meet resilience challeneges through digital advancement. Then on **October 21st at 12:3pm EDT**, join us live for the Year in Infrastructure 2020 Awards Ceremony - the biggest night of the year for Infrastructure!

From **October 27th - November 20th**, there will be more than 100 ACCELERATE sessions offered by Bentley experts including panel discssions and demos on the latest innovations for 30 Bentley brands. Join the live kick-off for the ACCELERATE sessions on **October 27th at 10:00am EDT**. After this live session, the rest of the sessions will be offered on-demand so you can learn about the latest software on your own time!

And it's all free! Register today so you don't miss out in October!

Archway is now an Authorized Partner for Synchro

If you are at all involved in Construction Management, please let us show you how Synchro can shorten project schedules and save project costs. With 4D planning, you can save time and money by identifying possible problems before construction even begins.

We can provide Synchro through Virtuosity at lowest costs.

Want to learn some of the basics of how Synchro works, check out this past webinar!
