### Save the Date - Bentley Bash 2022

The annual Bentley Bash is back again this year **January 21-22, 2022!** Mark the date on your calendars now! The event will be virtual again this year. We will be using a new registration form and platform to help the event go smoothly! If you've participated in any of Bentley's Coffee Corners this year, the platform will be familiar. (And if you haven't, you should! [Check them out here!](#))

We will have 2 tracks this year so you can get the most out of your time including popular favorites like MicroStation, OpenRoads and a few other great products. Plus all of the sessions will be recorded so you can see all the sessions on your own time. Watch for an email at the beginning of December for more information and to get registered!

### Report: Going Digital in Infrastructure Awards

The Going Digital in Infrastructure Awards have announced finalists and have begun the presentations! Watch these finalists presentations to see the best in each industry sharing their projects using Bentley Software!

Rewatch all of the Awards Finalists presentations! Check them out on the [Awards page here](#). Who do you think should win the top spot?

And then don't forget to register for the Year in Infrastructure Conference this year - completely virtual! **December 2nd**, you won't want to miss the Awards Ceremony for the Going Digital Awards! Root on your favorites and cheer for those who take on the prize! This is Infrastructure's most exciting night!

This conference is always a great addition to the year to see where Bentley is headed and celebrate the amazing projects from around the world this year. [Register today](#) to make sure you don't miss anything!
